All:

Wow! Thank you so much for your wonderful and positive responses. Sylvan and I were just brainstorming some ideas... I think the goal is going to be to try to get as many folks there as possible to help clean up the whole area bounded by Santa Monica Blvd on the north, Gower on the east, Melrose on the south, and Vine on the west.

With that in mind, for geographical purposes, I think it makes sense to have Hollygrove as our "base" of operations for the day. Would that be possible?

Richard - the beautification target area would also include Project Angel Food as well. We can discuss what the best way will be for PAF to be involved - in addition to making sure we make your block spic and span! :)

Thanks again, everyone!

Larchmont Hollygrove would love to participate and partner however makes sense. We have lots of possible beautification projects on campus and around it that I'm sure Uplift and Larchmont could put our heads together to compile and coordinate on. We could also recruit volunteers from within our parent community. Thank you for the opportunity.

Hi Amy, Kathleen, and Richard,

I hope you are all doing well! I wanted to reach out to the three of your organizations -- Larchmont Charter School, Uplift Family Services, and Project Angel Food -- to let you know that our office is planning a **Councilmember In Your Corner** event on **Saturday, April 28, 2018 at 9:30 AM**.

This is a monthly event that Councilmember O'Farrell hosts that involves outreach, beautification, and neighborhood connectivity. We have held over 50 since taking office.

On April 28th, we would like to focus on the El Centro Ave corridor between Santa Monica Blvd and Melrose Ave, and we would love to partner with your organizations however possible. It would be great to make this a big, successful day for the community and we'd love to work with you.

Please let me know if you'd be interested in partnering in some way -- whether that's helping to recruit volunteers, helping us kick things off, etc. I'm open to ideas!

Thank you,

Dan Halden
